ONE WEDDINGS

One Weddings offer a personal approach and expert knowledge when it comes to planning your wedding at our venues: One Belgravia and One Marylebone.

Whether you're looking for venue hire alone or a fully bespoke service, we can help you ensure everything is perfect.

ONE MARYLEBONE

One Marylebone is the epitome of romance, the perfect setting for the dream wedding ceremony and reception.

Built in 1826 on its own 'island' and designed by Sir John Soane, the venue was delicately refurbished before opening its doors in 2008, and has been hosting beautiful weddings ever since.

Situated just moments from Regent's Park with a private off-road entrance, the venue boasts two impressive versatile spaces, and landscaped courtyard garden.

THE ULTIMATE WEDDING AT ONE MARYLEBONE

With two stunning contrasting floors, One Marylebone offers complete flexibility for a day as unique as the couple at the heart of it. Whether dreaming of an intimate affair with your nearest and dearest or opulence and grandeur surrounded by up to 350 guests, One Marylebone is perfectly suited to host your special day, whatever it may be.

THE SOANE HALL

The Soane Hall is the jewel in the crown of One Marylebone; at over 27 feet in height, the prestigious space is both impressive in size and beauty.

Opulent mosaics and stained glass windows evoke everlasting elegance. The Soane hall is the perfect space for grand ceremonies and dinners whilst the alter plays host to your dancefloor so guests can dance the night away.

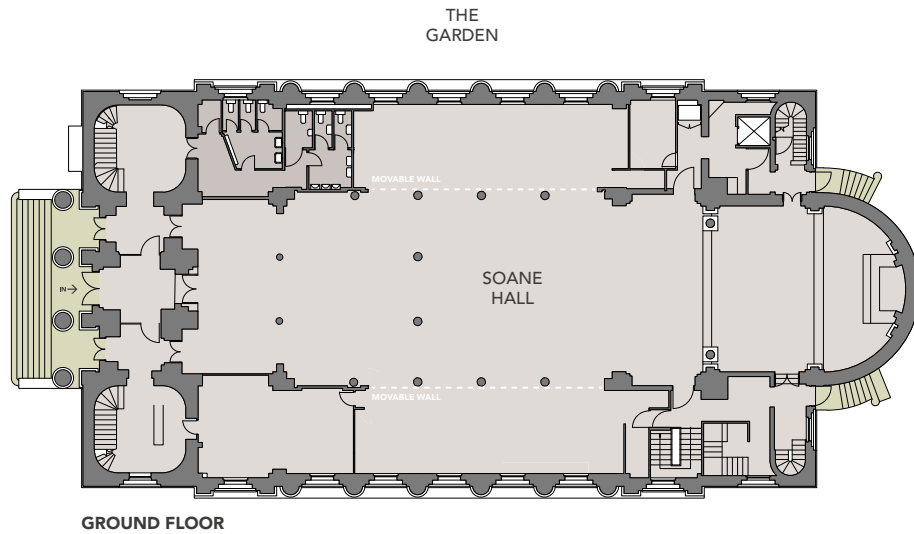

THE GALLERIES

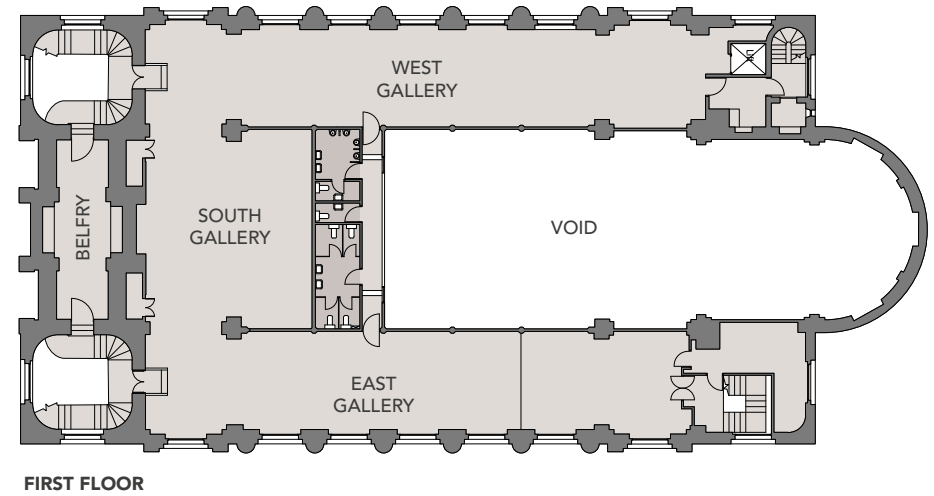

The first floor contemporary and light Galleries are the perfect setting an intimate ceremony or cocktail reception before guests make their way to The Soane Hall to dine and dance the night away.
